Seniors,

You have asked me for an "office page" for your annual. It was Wednesday when you asked me and you said you wanted it by Friday. *This* is the day! Three days should be sufficient time to pen a few observations, a few comments, or a few prophecies. Three days to write something that you might remember for your entire individual lives.

A man with such a challenge would be foolish if he did not make the most profuse statement, or the most profound observation, that he is capable of making.

A man must live with himself! I did not say, a man must live by himself.

When you have learned all the hidden import of that short statement, you have learned what I personally believe to be the secret to happiness.

My best of wishes for you,

C O Duker

We of Noble are proud of our "marching 42." In the past year they have entered into many activities. In October the annual band chili supper was held, which, by the way, was very successful. In February the solo contest was held with a lot of awards brought home. Then came the band contest with lots of work and fun. All in all it was a very enjoyable year.

Pirates Upset Chester, 47-40, in Semi-Final Tilt

By George Thomas

Noble Township's Pirates turned back the pages of history Saturday afternoon. The Noble Township High school, formerly known as Linlawn before consolidating with Chippewa, has had a knack in tourney play in the past for pulling the big upset.

Coach Bill Jones' 1954 basketball crew was no exception in the initial matinee game in the semi-finals of the Wabash county tour-

iods with Garrett pitching Kaufman 1 and Baer 3.

Chester wasn't complete of the picture, but it couldn't the basket. Forward Mike rone ignited a third period with 5 field goals that cut Noble lead to, 39-30, as the stanza opened.

The Panthers narrowed count to, 47-37, with 3 m left in the game, but that close as they could get. The Pirates upped the score to, 4

Pirates Advance to Quarter Finals Dropping Roann, 48-34

By Martin Duffey

The Noble Township Pirates cashed in at the free-throw stripe to gain a 48-34 triumph over the Roann Indians Thursday evening at the Honeywell Memorial Center "gym." The win advanced Coach Bill Jones' Buccaneers into the semi-finals of the Wabash county tournament Saturday afternoon.

Opposition for the Bucs will be the winners of the Chester-Lagro clash Friday night.

Noble dumped in 22 free tosses

on a dazzling offensive show: the winners attempted 47 shots from the field hitting only 13 give them a .277 average while the Indians took 49 shots from the field connecting on only 13 to give them a .224 per cent mark.

In the free throw department the Pirates attempted 39 shots from the gratis toss line hitting 22 for a cool .564 average while the Roann boys attempted 34 shots and connected on 12 for .444 shooting percentage.

Noble Coach May Have To Eat Words; Bucs Improved Club

Coach Bill Jones of Noble Township High school may have to eat his words if the Pirate basketball team wins the remaining two games on its regular season schedule and comes up with a creditable showing in the Wabash sectional tournament Feb. 24-27.

The former Wabash High school athlete and Defiance college graduate foresaw little hopes of a winning season for his hardwood club when the 1953-54 campaign opened and the way the Buccaneers started out it looked as if the Noble mentor were

finished in the runnerup spot losing out to the LaFontaine Cossacks, 58-53, after leading most of the game.

Noble has a 8-11 record this season and three of those defeats have been to LaFontaine. The Cossacks won the other two meetings, 77-53, and 55-52.

Although the pessimistic Jones is singing the blues, opposing coaches feel that the Pirates are dangerous a team in the coming sectional tourney. The Buccaneers are not tall as height standards go, but most of the players are husky and that weight that pay

Noble Defeats Lagro, 60-52, In Foul-Infested Game Here

Noble Townships' county tourney finalist gained "sweet revenge" for an early season loss to the Lagro Comets as they downed the Red and Black club, 60-52, in a rough and tumble basketball contest at the Wabash High school "gym" Friday night.

It ended a two-game Noble losing streak, both losses being to the LaFontaine Cossacks by close margins. The Pirates have now won 8 and lost 10 for the season while Lagro has 7 wins and 9 defeats.

Friday's game turned out to be

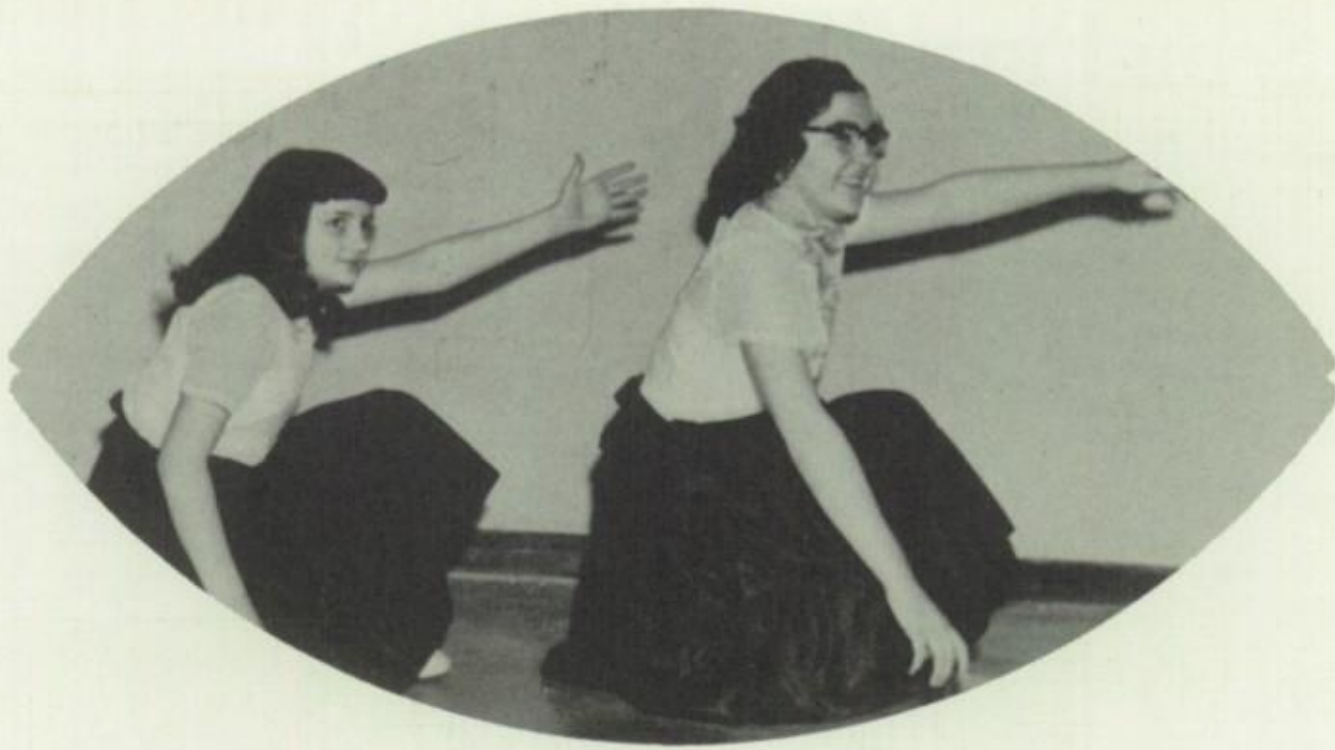

5 charity throws. Teammate Baer had 11.

Both clubs had 17 buckets the field, but Coach Bill Jones rates sank 26 at the foul which was 8 more than the Comets could muster.

In the evening's curtain-raiser the Noble seconds made it a blue triumph as they whipped Lagro "B" team, 35-30.

The Pirates are idle next week but Lagro has a date with the Township of Miami county on the latter's court.

SENIOR HISTORY

This year we were pretty green freshmen, nobody paid much attention to us, I guess we were just in the way. During the year Gene Kendall came from LaFontaine, Sandy Bennett from Wabash, Delbert Story from Chicago, and Phyllis Parson from Urbana. Class officers elected for the year were Noble Patton, President; Mary Thompson, Vice President; and Oliver Garrison, Secretary and Treasurer. We got a chance to show off our talent when we gave a variety show on February 13, as a result Ted and Sandy started their novelty show. Our candidates for the carnival were Mary Thompson and Bud Brown. This event fairly well closed the activities for the year.

We eagerly started our Sophomore year full of hope and ambition. Class elections were again held with the following results: Sandy Bennett, President; Mary Thompson, Vice President; Sharon Boardman, Secretary-Treasurer; and Gene Kendall, Student Council Representative. Our class was slightly decreased this year as we lost eight members. On October 9, the boys went to the International Dairy Exposition at Indianapolis. We lost Sharon and Bud to the wedding bells.

As the Junior year opened, that old love bug bit again and we lost three more to the wedding bells. To make up this loss, we received Pat Elshire

and Edna Mullett from Wabash, and Jere Goodman from Logansport, (high school, that is). We also consolidated with Chippewa, which added eight more to our total. We got a taste of a real work when we tackled the magazine sales, the fish fry, and the class play which were all a success. We had our fun though, when we had the class skating party at Chippewa. The two big events of the year came, however, when Jere and Marcella were crowned king and queen at the carnival, and the junior banquet at Honeywells.

Our graduating year of "54" came at last. David Rish came over from Wabash which made us a total of 33. Jere Goodman was elected President to lead us through this difficult year, with the able assistance of Oliver Garrison, Vice President; Mary Thompson, Secretary-Treasurer; and Sandy Bennett, Student Council. The year saw some very busy seniors, working on the annual, school paper, and class play. We took time off, however, to go to Fort Wayne to the ice revue. Some of our money making ventures this year were: picking up popcorn, simonizing cars, serving at a business luncheon. We were entertained by the Juniors at the reception. Then came baccalaureate and then commencement. What comes next?

ANNUAL STAFF

*There were times we thought we wouldn't.
But we finally got it done,
It took a lot of effort,
But we had a lot of fun.*

Here it is . . . we hope you like it!!!

The students at the left all helped to publish and complete your Treasure Chest plus the various issues of Noble News.
